

KIT Graduate School „UpGrade Mobility“

The KIT Graduate School „UpGrade Mobility“ invites all interested Ph.D. students from the field of mobility to the Winter School 2024/2025.

The Winter School will take place from **25 – 29th November 2024 in Karlsruhe, Germany**. During this period, the guests will discuss topics from the field of **Software Defined Mobility** research together with the members of the graduate school and professors of the Karlsruhe Institute of Technology (KIT).

For the Winter School, 15 places are available for international guests, for which every doctoral student from the subject area of mobility can register. A direct registration procedure with a waiting list will be used. The closing date for applications is **31st October 2024**. The Graduate School will cover costs for accommodation and meals during the Winter School. Each participant must finance travel to the conference venue in Karlsruhe on their own.

If you would like to register for the UpGrade Mobility Winter School, please send an e-mail with your contact details, a short CV, a confirmation of your supervisor, your home university and the (working) title of your doctoral project to the following address: upgrademobility@kit.edu.
